# Paloma Elementary School 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year) 

General Information about the School Accountability Report Card (SARC)

SARC Overview

## DataQuest

California School Dashboard

Internet Access

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## The California School Dashboard (Dashboard) <br> https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

Paloma opened its doors in 1990. The school currently has 44 classrooms (including 21 relocatables) a multipurpose room, a library, and an administration building. We are fortunate to be located adjacent to a park that is frequently used for school events. Student-made tile walls and murals decorate our school, and our professional custodial staff takes great pride in maintaining the facility for students and staff. We have 3 shade structures- in the lunch area, the snack area, and adjacent to the grass field. We have two new sensory rooms adjacent to our new Moderate/Significant classrooms.

Our goal is that all students will continue to meaningfully increase their academic knowledge in reading, writing, math, science, and social studies. Education is very important to the future of our students, and at Paloma we will continue to strive to help them become active, inquiring, life-long learners who will be prepared for college and career, as well as for global citizenship. Our teachers employ best instructional practices which include differentiated instruction at all academic levels. At Paloma students demonstrate respect and responsibility while putting forth their best effort toward their educational learning experience; teachers and staff set and implement standards-based learning goals and monitor results to differentiate instruction to meet the individual needs of learners; and parents partner with the school to enhance their child's academic growth and strength of character.

Paloma Elementary strives to create an environment in which all children have the opportunity to achieve academic excellence. We, the members of the Paloma Elementary Community, are dedicated to ensuring that all Paloma Panthers have equal access to learn and grow in a collaborative, safe and positive environment. Students will develop a love of learning and acquire lifelong skills to become engaged, responsible, and independent members of society.

## A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

| Authorization/Assignment | School Number | School Percent | District Number | District Percent | State Number | State Percent |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned) | 30.80 | 96.86 | 702.00 | 86.80 | 228366.10 | 83.12 |
| Intern Credential Holders Properly Assigned | 0.00 | 0.00 | 1.40 | 0.18 | 4205.90 | 1.53 |
| Teachers Without Credentials and Misassignments ("ineffective" under ESSA) | 1.00 | 3.14 | 90.60 | 11.20 | 11216.70 | 4.08 |
| Credentialed Teachers Assigned Out-ofField ("out-of-field" under ESSA) | 0.00 | 0.00 | 14.60 | 1.82 | 12115.80 | 4.41 |
| Unknown | 0.00 | 0.00 | 0.00 | 0.00 | 18854.30 | 6.86 |
| Total Teaching Positions | 31.80 | 100.00 | 808.80 | 100.00 | 274759.10 | 100.00 |

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

## Reading, Writing, Listening, and Speaking

Students receive a standards-based curriculum designed to "help build creativity and innovation, critical thinking and problem solving, collaboration, and communication fulfilling California's vision that all students graduate from our public school system as lifelong learners and have the skills and knowledge necessary to be ready to assume their position in our global economy." (ELA CCSS)
Students use a variety of instructional materials in ELA to meet these instructional goals.
English Language Development (ELD)
English Learner students engage in daily ELD lessons that provide challenging English language development skills in alignment to gain English language proficiency. (ELD CCSS)

## School Facility Conditions and Planned Improvements

School Facility Conditions and Planned Improvements
Paloma opened its doors in 1990. The school currently has 44 classrooms (including 26 relocatable units) a multipurpose room, a library, and an administration building that are networked for Internet access throughout the school. We are fortunate to be located next to a park that is frequently used for school events. A student-made tile wall decorates the front of our school, and a professional custodial staff takes great pride in maintaining the facility for students and staff. We have 3 shade structures- in the lunch area and snack area by the playground. We have two new sensory rooms adjacent to our new Moderate/Significant classrooms. The physical quality of our school building influences learning and teaching. All students and faculty need a reasonable amount of classroom and open space. We strive to maintain and improve the facilities and land.

Cleaning Process and Schedule
The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office and at the district office. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

## Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

## Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

## College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2023-24 School Safety Plan

The Comprehensive Safe School Plan includes data regarding crime, safe school procedures and compliance with laws including: (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) schoolwide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, (9) rules and procedures on school discipline adopted pursuant to Ed Code Sections 35291 and 35291.5, and (10) lock down procedures. A copy of the plan is available for inspection by the public at the site. The plan was last reviewed and approved on 10/6/22.

The staff monitors school grounds 15 minutes before the start of school and immediately after dismissal. Our staff supervises students during dismissal to ensure their safety. We also hold monthly fire, earthquake, disaster, and intruder drills. Our Character Education program focuses on developing responsible citizenship. Our Peer buddies program encourages students to mentor our students with special needs. Our School Social Worker assists in the implementation of PBIS (Positive Behavior Interventions and Supports) and character education.

## Professional Development

San Marcos Unified School District (SMUSD) is committed to the belief that the strongest predictor of student achievement is the quality of the teacher inside the classroom. In support of this belief, SMUSD is deeply committed to teacher learning and professional development as evidenced by our district mission statement.
San Marcos Unified School District's Mission Statement includes these commitments:

- "Hiring and retaining only the best educators and investing in their success."
- "Providing quality education based on high standards, effective practices, continuous improvement, and innovation." Every new teacher in our district engages in a rigorous two year training program where the new employee receives 30 hours of professional development on our research-based instructional framework, the Essential Elements of Instruction (EEI). These instructional strategies apply to any curricular area and any grade level. New administrators to the District receive professional learning in this instructional framework as well as the National Institute of School Leadership (NISL).
Our elementary level focused professional learning on Orton Gillingham, Ready Mathematics, Professional Learning Communities, and Synergy. Professional learning was grounded in meeting students' academic and social emotional needs post pandemic. Ongoing training and PLC cycles supported learning recovery interventions in the classrooms and extended learning groups. A refocus on ongoing formative assessments and data driven discussions allowed teachers to provide students with prescriptive academic and social emotional interventions and enrichment opportunities. Teachers who work with students with special needs engaged in ongoing collaboration to implement more inclusive delivery models.
