

## KOC Shifts of Care Offered by Site (4/12/24)

For the 2024-25 school year, SMUSD kindergarten hours will be 8:45-3:10, except at Double Peak, where the hours are 8:00-2:25.

TK will be half-day, 8:15-11:50 & 11:50-3:25. There are 2 exceptions: Double Peak will have half-day TK with the hours 8:00-11:35 and 11:35-3:10, and TOES will have full-day TK with the hours 8:45-2:10. KOC care offerings have changed accordingly. **\*\*Please note that all shifts of KOC care must meet the minimum enrollment to be staffed.**

**\*\* All shifts of KOC care must meet a minimum enrollment of 8 students to be staffed.**

**If a TK shift of care gets between 8 and 20 students,** we will cluster the students needing KOC care into PM TK for school. KOC will coordinate directly with the school site to guarantee PM TK placement, regardless of what preference (AM or PM) families indicated when enrolling for school. Therefore, TK KOC care would be offered during the morning hours before PM TK (hence the name "Before TK Care") and the care hours would be 8:15-11:50, except at Double Peak, where care hours would be 8:00-11:35.

**If a TK shift of care exceeds 20 students during the initial enrollment period,** KOC will offer BOTH Before TK Care (8:15-11:50) and After TK Care (11:50-3:10). We will coordinate with the school site regarding which shift of TK your child is assigned to according to their lottery, and place your child into the correct corresponding TK shift (either Before TK Care or After TK Care).

We anticipate that all KOC sites will offer at least Before TK Care, but we are uncertain of how many sites will exceed the 20 student tipping point to offer both sections. **Therefore, we will ONLY include the option for Before TK Care in KOC Enrollment in EZ ChildTrack. All TK families needing full-day care should select that option when enrolling.** Once the initial enrollment period is concluded, we will notify enrolled families of their site's status: 1) Only Before TK Care class; 2) Both Before TK and After Classes; or 3) Minimum is not yet met.

**If we do not meet the minimum of 8 students by the end of May,** we will notify parents that we are unable to provide that KOC care. In the event that a TK shift does not meet the minimum enrollment of 8 students, and we are unable to provide that care, KOC will give this notice as soon as possible before the end of the current 2023-24 school year, but no later than June 5th, 2024.
