

September 8, 2020

Dear SMUSD Community,

As we shared last week, on Friday, September 4th we presented our Safe School Reopening Plans for the 2020-21 school year to our Governing Board. For your convenience, we have included that presentation [here](#) and uploaded a recording of the meeting to the front page of our District webpage: www.smusd.org.

On Tuesday, September 15th, our Governing Board will be voting on our district's reopening plans. In anticipation of that vote, we would like to seek feedback from our community (Staff, Students, and Parents) as well as provide an opportunity to submit additional questions and comments in the following four areas: safety protocols, elementary, middle and high school in person instructional models.

[Safety Protocols](#)

If you would like to submit questions/comments related to the safety protocols that have been proposed for in-person instruction, please click here: <https://forms.gle/Kysk7n7ta9qFhPQo8>

[Elementary Instructional Models:](#)

If you would like to submit questions/comments related to the Elementary In-Person Instructional Models, please click here: <https://forms.gle/RWBWRqLQZs8WNPyx7>

[Middle School Instructional Model:](#)

If you would like to submit questions/comments related to the Middle School In- Person Instructional Model, please click here: <https://forms.gle/tsTwnxZba3zddmEu6>

[High School Instructional Model:](#)

If you would like to submit questions/comments related to the High School In-Person Instructional Model, please click here: <https://forms.gle/tcVnG8yeeSUMYqx86>

Please submit your comments/feedback or questions by Thursday, September 10th at 5pm. These will be synthesized and addressed in a webinar presentation that will be posted and distributed on Friday, September 11. We will send additional details for that presentation under separate email.

Thank you,
Dr. García
