** Green highlights mean that we have officially reached our minimum enrollment required to offer Morning TK Care and that we will be providing this care option for the 2023-24 school year. KOC will offer Morning TK Care (8:30-12:00) at Carrillo, Discovery, Knob Hill, La Costa Meadows, Paloma, Richland and San Elijo schools for the 2023-24 school year. **TK students needing KOC care to make a full day of coverage will be placed into PM TK by their school site.** Therefore, TK KOC care would be offered during the morning hours (hence the name "Morning TK Care"). We will provide the school sites with the names of the students enrolled in KOC care and the school will place these students into PM TK automatically. Some sites still have space, while others have begun waitlists.
